

For our 2021 Scholarship Program, we are awarding more than \$167,000 in scholarships and educational grants!

Our **Career Advancement Scholarships**, which honor the founders of Peach State, are a part of this program. Recognizing the importance of education as a lifelong experience, we will award 26 \$2,000 Career Advancement Scholarships to eligible members of our credit union. All scholarship winners will be chosen by March 31, 2021 and notified shortly thereafter.

To be considered for the scholarships, all applicants must meet the following eligibility requirements:

- Must be currently employed
- Must be a Peach State member in good standing with an active account that has been open for a minimum of one year (personal account only; business accounts are not eligible)
- Must currently be enrolled in an accredited program of study at a college, university or technical institute with the goal of career advancement (proof of paid registration documents for current term or class schedule from accredited institution must be included in order to be considered)

Completed applications and supporting documentation **must** be received by Peach State no later than February 26, 2021.

Please note that candidates should not submit multiple applications for our scholarships. Applications to more than one of our scholarships will not increase eligibility or chances of being selected.

If you have any questions, please feel free to contact me.
Thank you and Happy New Year!
